

21St SCHOLARSHIP

Dear Sisters and Brothers,

*As your President I want to announce that our scholarship award program created in 2004 has been a tremendous success. So far, a total of 160 of our members' children have received awards of which 100 won \$1,000 each as a winner and 60 won \$100 each as a qualified alternate. This year again, for the **Fall of 2025**, we will be awarding five scholarships each worth \$1,000 and three alternate scholarships of \$100 each.*

*The selection will be made by a lottery, among the qualified candidates, at the **April 14, 2025, General Membership** meeting. To qualify for the scholarship, the following requirements must be met:*

- 1. Any child or grandchild, of an active member in good standing* is eligible.*
- 2. The applicants must be enrolled for the Fall of 2025 in a two-year or four-year undergraduate program in an accredited college/university. The student can be a freshman, sophomore, junior, or senior and can apply every year for the scholarship. Trade schools are not eligible.*
- 3. Proof of Bursar's receipt or an official letter on school letterhead showing payment status, etc. into the college/university or proof of continuation at the college/university must be submitted to the committee.*
- 4. A copy of the child's birth certificate or grandchild's birth certificate with a copy of the appropriate parent's birth certificate.*

*Make sure your completed application with all supporting documents, is emailed at Local1407Scholarship@gmail.com no later than **March 31, 2025**.*

The Executive Board and the General Membership, on the recommendation of the Education Committee of Local 1407, voted for these scholarships in 2004 as a way of showing our members how much we value them and their families. I hope that these scholarships will give an incentive to those who win. Best of luck to you all!

This year, we added a **Maf Misbah Uddin Scholarship**, five scholarships each worth \$1,000, sponsored by M3 Technology with the above requirements. Applicants can only win one of these Scholarships not both. We love our members dearly and are doing everything possible to keep them dignified, compensated, and respected.

*The member must have a one-year dues paying status as of **March 31, 2025**.

In solidarity,

Maf Misbah Uddin, President

*P.S. Please fill out the enclosed application properly and email it by **March 31, 2025**.*
